PRESS RELEASE

Sean Fayfar
Student-of-the Month for December 2011

The faculty and administration of Community High School would like to congratulate Sean Fayfar of Winfield for being selected *Student of the Month* for December.

As a student at Community High School, Sean has been recognized for numerous academic achievements. He is an Illinois State Scholar, a member of the Spanish National Honors Society, The United States Achievement Academy, and the National Society of High School Scholars. Sean's teachers state "he is a diligent, hardworking student that brings a unique quality to class. What separates Sean from his peers is his dedication to perfection and willingness to help others."

Sean's hard work and dedication has also been evident while participating for the CHS golf team all four years, the last three as a member of the varsity team. He also spends time helping others in the surrounding community by volunteering at the Northern Illinois Food Pantry and the MS Society Midwest Indoor Classic Series at Wheaton Sports Center.

Sean's best memory of high school was his junior prom on the boat in Chicago. He provides this advice to future CHS students, "Always give your best effort and you might be surprised at everything you can accomplish." Sean plans on attending college at either Illinois State University or Northern Illinois University after graduating from CHS.

Community High School congratulates Sean on all of his accomplishments and wishes him the best of luck in his future endeavors.
